“It will make a good future for me and my family. I want to keep going and see how far it takes me. It gives me a good opportunity to get back into the workforce. Back out there. Back into life.”

Ryan Thomas, participant in the Wirrpanda Foundation's P242 Employment Program.

“I was lucky to work with many curious, creative, eager-to-learn students. They inspired and challenged me to push myself to create engaging lessons related to their lives and concerns.”
